Fundraising Target

Our goal for this years' fundraising is

So far, we have raised around £4,000 which is a great start to the year and almost a 3rd of our total.

Let's build on this and smash our target!

"Do you have alcohol at the PTA Meetings?"

Suggestion Box

The committee is dedicated to raising funds for the school that enable us to support the school in giving great opportunities to our children, as well as supporting with funding for various school essentials, for example Mr Wright, Reception Book Bags.

With this in mind, we want to invite all of you to overwhelm us with your fantastic ideas for fundraising. This could be something as easy as a cake sale, to a more adventurous themed evening.

If you contact the committee via our email contactfofps@gmail.com we will review your ideas and try and achieve as many as possible.

Did You Know!

FOFPS benefit from the charity clothing banks located in the Feniton Social Club car park. If you have anything that you can donate, the more they fill up, the more £'s we get!

Committee Members

Dani Harris – Chair

Jen Turner-Steel – Vice Chair

Charlotte Jones – Treasurer

Lauren Retter – Secretary

We would like to say a huge thank you to our outgoing Chair & Treasurer who did a fantastic job last year and set the bar for this year. Lauren Retter and Sam Newbold, we thank you!

We really need parents / care givers who are willing to share some of their time coordinating their year group activities that the FOFPS are creating. This means that each year group (*your children*) will not miss out on these events!

We all have extremely busy lives but if we all club together we can create some fun events and memories for the children in their primary years.

If you are interested in giving a small amount of your time to show support, please contact FOFPS (Dani/Jen/Charlotte/Lauren) via Facebook/chatting or via contactfofps@gmail.com

Thank you to our current class reps who have shared information to their year groups.

We want to encourage and develop the role of the class rep this year and will be looking for further volunteers from each year, ideally having two parents from the year groups. We currently have parents acting as representatives for years whose children are not in that year group! This year, we will no longer do this and without a rep these year groups are set to miss out.

No year group rep = Year misses out.

We look for the class reps role to change and be more effective (both old and new to post) to not only share information via the WhatsApp group/word of mouth, but to give feedback from that year group to FOFPS.

We are so grateful for the help we are receiving to keep supporting the school – without this, FOFPS will fold and it will be down to the parents to find ways to fund the costs of updates to the school equipment and school patrol crossing service. Devon County Council debts are growing – small country primary schools are not their priority!

We have some exciting project ideas up our sleeves that the kids will love – but we can't do it without do it without the community!
