Dear Parents/Carers,

We've had an incredible week packed with excitement and achievement at Feniton Primary! From the spirited elections for our new House Captains, to enthusiastic applications for Sports Leaders, and the very first meeting of our newly formed School Council and Ethos Team—it's been a whirlwind of leadership and community spirit. We wrapped it all up today with our vibrant **Wear It Yellow Day**, raising awareness and support for **Childhood Cancer Awareness**.

A huge round of applause to all the children who stood for election. Their courage and determination in delivering speeches to their peers was truly inspiring. Every candidate should feel immensely proud. Badges were awarded during assembly to our successful candidates, who are now eagerly preparing for their first responsibilities next week.

Last Friday, our EYFS and KS1 pupils tackled the **Commando Challenge** on the school field with energy and enthusiasm. A heartfelt thank you to the **Friends of Feniton Primary School** volunteers for organising and running such an exciting event. The KS2 Commando Challenge has been rescheduled for **next Wednesday afternoon**—fingers crossed the weather stays dry for us!

Have a lovely weekend,

Ms Louisa Mansfield - Head of School

Fund Saver Work Day

Saturday 27th September – A date for your calendar!

We are looking forward to seeing everyone at our Fundsaver Work Day on Saturday 28th September from 9:30am onwards until about 4pm. Come along for the day or just an hour. We appreciate any time you can give.

This is a well established annual event and it will save the school a huge amount of money if we can get some of these jobs done ourselves. The day is also a great social event and a chance to meet other families.

Jobs will include:

- ⇒ Painting
- ⇒ Clearing gutters
- ⇒ Washing canopies
- ⇒ Cleaning windows and PVC
- ⇒ Weeding / hedge cutting
- ⇒ Tidy garden areas
- ⇒ Replacing slats of wood on benches under trees in main playground

Whatever time you can give, an hour or half day it will all make a significant difference. Arrive any time of day!

Naturally you will be able to bring the children. There will be activity room for them if the weather is bad and outdoor play if it's fine. Parents remain responsible for supervising the children, but usually the children are happy playing or helping with jobs.

If you are unable to assist on that day please help feed the workers that can turn up. Drop off food items for lunch on Friday 27th.

Tools and materials will mostly be provided, but if you do have any items - garden tools, steps, wheelbarrows, spades, outdoor brushes, dust sheets or anything that you think will be useful please, bring them along.
