Dear Parents and Carers,

It's been another busy and exciting week at Feniton! We began with **Patteson Day** on Monday, where every class created wonderful work celebrating the rich history of our local area, beautifully linked to our school's **HEART values**. This will be made into a book and shared with our partner school in the Solomon Islands later in the year.

On Wednesday, the sun was shining just in time for our **KS2 Commando Challenge**. The children had a fantastic afternoon full of fun and adventure. A huge thank you to our amazing **FOFPS Team** for organising and running such a brilliant event.

Year 3 enjoyed a trip to **Lyme Regis**, where they explored the beach and searched for fossils—an experience full of discovery and delight. Meanwhile, **Year 6** continued their mountain biking lessons in preparation for their exciting adventure to **Haldon Forest** next week.

Just a reminder that **tomorrow is our Fund Saver Work Day**. If you have any time to spare, we'd love for you to join us in helping make our school look its very best. Wishing you all a lovely weekend.

Fund Saver Work Day

Saturday 27th September – A date for your calendar!

We are looking forward to seeing everyone at our Fundsaver Work Day on Saturday 28th September from 9:30am onwards until about 4pm. Come along for the day or just an hour. We appreciate any time you can give.

This is a well established annual event and it will save the school a huge amount of money if we can get some of these jobs done ourselves. The day is also a great social event and a chance to meet other families.

Jobs will include:

- ⇒ Painting
- ⇒ Clearing gutters
- ⇒ Washing canopies
- ⇒ Cleaning windows and PVC
- ⇒ Weeding / hedge cutting
- ⇒ Tidy garden areas
- ⇒ Replacing slats of wood on benches under trees in main playground

Whatever time you can give, an hour or half day it will all make a significant difference. Arrive any time of day!

Naturally you will be able to bring the children. There will be activity room for them if the weather is bad and outdoor play if it's fine. Parents remain responsible for supervising the children, but usually the children are happy playing or helping with jobs.

If you are unable to assist on that day please help feed the workers that can turn up. Drop off food items for lunch on Friday 27th.

Tools and materials will mostly be provided, but if you do have any items - garden tools, steps, wheelbarrows, spades, outdoor brushes, dust sheets or anything that you think will be useful please, bring them along.

FOFPS COMMANDO CHALLENGE

After another successful year of the FOFPS Commando Challenge, we would like to thank all of the parents/carers who came to support us over the 2 days for this event. We rely on volunteers to support the core team with this event to ensure it can take place safely and so a huge thank you to all of those that supported, it is very much appreciated.

We would like to say a huge thank you to all of the children, Little Explorers through to our seasoned Year 6 for giving so much passion and determination to the event. We loved watching your best efforts on the course and the encouragement and support we witnessed between you all was amazing. We hope you enjoyed taking part.

Please could we ask that all Sponsor Forms and Donations be received by **30th September** if possible and handed into the school office. Please ensure the *Name of Child* and *Commando Challenge* are included as a reference. For those wishing to pay via bank transfer please see below details and include the same reference details where possible. Thank you to everyone who has already donated. Our target was £2,000 and we will provide an update once all donations have been received.
