Dear Parents and Carers,

As promised, I'm delighted to share that we raised **£196.41** on *Wear It Yellow Day*! This generous contribution has been warmly received by the **Make-A-Wish Foundation**, and were so grateful for your support.

Next week, we look forward to welcoming you to both our **Harvest Festivals** and **Parent Meetings**. If you haven't yet booked a meeting, please speak directly with your child's class teacher to arrange a time. Parents of Reception children are able to join us at 10am on Tuesday for their Harvest Festival and Year 3 and 4 parents are welcome to come to St Andrew's Church on Thursday, also at 10am.

As part of our Harvest celebrations, we are collecting **dry produce** to be distributed by **Year 6** pupils to members of our local community. Donations can be brought to the **Practical Area** throughout the week—thank you in advance for your generosity.

It's been a busy and exciting week for our pupils:

- **Reception** enjoyed a lovely morning at *Gittisham Farm*, where the calves were especially gentle and loved all the attention from the children.
- **Year 2** had a muddy adventure exploring *Offwell Woods* yesterday.
- And today, **Year 4** are off to the *Roman Baths* for a day of historical discovery—we can't wait to hear all about it!

A huge thank you once again to **FOFPS** for their continued support. Thanks to their fundraising efforts, we now have a **LifeVac device** on site and some much-needed **Number Stacks resources** to enhance our maths provision. These extras make a real difference, and we're so grateful to everyone who supports FOFPS events.

Their next event is the exciting **Break the Rules Day** at the end of the half term.

**Advance Notice:** After half term, our **After School Club** will be hosting two themed evenings every week:

- **Art Evening** on Wednesdays
- **Cooking Evening** on Thursdays

If your child would like to attend either session, please book in the usual way.

Wishing you all a wonderful weekend.

Warm regards,  
**Louisa Mansfield**
