Dear Parents and Carers,

I hope you all enjoyed a lovely half term break, especially the weather during the first week! This half term is always a busy one but lots of lovely events to look forward to.

Sports Day—We are looking forward to our Sports Day next Friday. Please see below timings. Also, children are invited to bring in a red t-shirt if they have one as they will be running a long-distance race to support a group of our Year 6 children who are completing their Civic Award by raising money for the British Heart Foundation. Please donate £1 if you are able to.

- 9.15-10.15am Pre-School and Reception
- 10.30am-11.30am Year 3 and 4
- 1.10pm-2.10pm Year 1 and 2,
- 2.15pm-3.30pm Year 5 and 6

Staffing Update/Transition

You will be aware that lots of work has been going on behind the scenes making arrangements for our new school year in September. I am now able to share our teaching structure for 2026/27. Arrangements for Teaching Assistants are still being planned but I will update you on this when I have more information to share. I know that transition between classes can cause anxiety amongst children and parents however please be reassured that we will be building relationships from this point onwards to ensure this is managed effectively and that children are feeling positive about the new school year before the summer break.

Reception—Mrs Jackson Year 4—Mrs Baker-Bruce

Year 1—Mrs Geale Year 5—Mrs Critcher/Mrs Totten

Year 2—Mrs Strawbridge Year 6—Mrs Diamond

Year 3—Mrs Palfrey

Have a lovely weekend.

Warmest regards,
Louisa Mansfield

Feniton Future Community Action Group

We are a newly formed steering group, looking for volunteers to join us in helping to improve Feniton village. We have listened to what is concerning the residents and the issue of roads, traffic and safety is paramount. We are organising a Community Speed Watch around the village but we do need to know if this is what the community wants. Please have your say and complete the simple poll that is being advertised on the Feniton Future Community Action Group Facebook page.

If you can't access the online poll, you can vote on a piece of paper via a Suggestion Box in the Spar Shop: Yes I'm in favour of Speed Watch or no, I'm not in favour. Please take part!

Summer water safety

Accidents are mostly preventable with the correct knowledge and judgment and here are our tips to staying safe in the water during the summer:

To enjoy the water safely and make the right call...

- Enter slowly and carefully
Think carefully about your ability to splash or swim in cold outdoor water. 49% of those who lost their life were classified as swimmers*. Are you really a good swimmer?
- Stay within reach
Don't go too far and stay within a standing depth.
- Always be supervised
Over 70% of fatal accidents occur in the absence of professional supervision. Seek life guarded areas and always make sure some one is available to raise the alarm.

Summer is an amazing time to enjoy our beautiful waterways but we must be mindful that warmer weather is directly linked to an increase in fatal drowning incidents.

Rivers and Lakes/Lochs pose the greatest statistical risk as there are often hazards that the average person is equipped to handle and there is a lack of professional supervision.

In an emergency...

- Call 999
If you are at the coast, call 999 and ask for the Coastguard. Don't enter the water to rescue.
- If you're in trouble FLOAT and call for help
Fall in or become tired – stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.

STOP AND THINK

STAY TOGETHER
