BELIEVING AND ACHIEVING TOGETHER TO BE THE BEST WE CAN BE

Friday 19h June 2026

E: admin@feniton.devon.sch.uk | T: 01404 850303

Dear Parents and Carers,

As we come to end of another week at Feniton I just want to take this opportunity to say well done to our children who have completed statutory and non-statutory assessments over the last few weeks. They have all worked so hard to 'be the best they can be' and make us all proud. We all know that test scores don't define who we are but I am proud of each and every one of them for their resilience and attitude that they have displayed. Well done to you all!

Today we have been able to hold our Sports Day. The British weather has been kind to us and we have been able to have a wonderful day outside in the sunshine. Thank you to everyone who is able to join us.

The weather promises to continue to be good over the next week or so. Please do ensure your child has a **hat** to wear at school and brings in a **refillable water bottle**. They also must have **suncream** applied before school and are encouraged to bring a named bottle to school so that they can reapply as needed.

Two dates for your diary!

Our FOFPS Team will be supporting the **Feniton Fun Day on the 5th July** raising money for our school. They will be holding a raffle and a decorate a mug stall. They kindly request any **Raffle prizes please** that you may be able to donate to be handed into the School Office.

We will be holding our annual **FOFPS Fest! on the 13th July between 2pm and 5pm**. This was a hugely successful event for the school last year and this year will have a Vintage theme.

Advanced warning—non uniform day on 9th July. Please can all children bring a bottle or chocolate donation for FOFPS Fest!

Have a lovely weekend and enjoy the sunshine!

Warmest regards,
Louisa Mansfield
Head of School

Feniton Future Community Action Group

We are a newly formed steering group, looking for volunteers to join us in helping to improve Feniton village. We have listened to what is concerning the residents and the issue of roads, traffic and safety is paramount. We are organising a Community Speed Watch around the village but we do need to know if this is what the community wants. Please have your say and complete the simple poll that is being advertised on the Feniton Future Community Action Group Facebook page.

If you can't access the online poll, you can vote on a piece of paper via a Suggestion Box in the Spar Shop: Yes I'm in favour of Speed Watch or no, I'm not in favour. Please take part!

Summer water safety

Accidents are mostly preventable with the correct knowledge and judgment and here are our tips to staying safe in the water during the summer:

To enjoy the water safely and make the right call...

- Enter slowly and carefully
Think carefully about your ability to splash or swim in cold outdoor water. 49% of those who lost their life were classified as swimmers*. Are you really a good swimmer?
- Stay within reach
Don't go too far and stay within a standing depth.
- Always be supervised
Over 70% of fatal accidents occur in the absence of professional supervision. Seek life guarded areas and always make sure some one is available to raise the alarm.

Summer is an amazing time to enjoy our beautiful waterways but we must be mindful that warmer weather is directly linked to an increase in fatal drowning incidents.

Rivers and Lakes/Lochs pose the greatest statistical risk as there are often hazards that the average person is equipped to handle and there is a lack of professional supervision.

In an emergency...

- Call 999
If you are at the coast, call 999 and ask for the Coastguard. Don't enter the water to rescue.
- If you're in trouble FLOAT and call for help
Fall in or become tired – stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.

STOP AND THINK

STAY TOGETHER

CALL 999

FLOAT

THE RAIL SAFE FRIENDLY PROGRAMME

The Rail Safe Friendly programme has educated over **3 million young people** on the dangers of the railways.
